

We all cherish the Toronto waterfront as a place to live, work and play.

But the waterfront from Etobicoke to The Beaches could soon be scarred by jet aircraft from an expanded Island Airport – with cancer-linked pollution and noise.

**We, the undersigned, urge all elected representatives to say ‘no’ to jets on Toronto’s waterfront.**

| Name | Email | Address | Postal Code | Phone | Signature |
|------|-------|---------|-------------|-------|-----------|
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
|      |       |         |             |       |           |
